

Introduced by Senator Knight

January 15, 1999

An act to amend Section 15153 of the Government Code, relating to telecommunications.

LEGISLATIVE COUNSEL'S DIGEST

SB 190, as introduced, Knight. Law enforcement telecommunications system.

Existing law requires the Department of Justice to maintain a statewide telecommunications system for the use of law enforcement agencies, under the direction of the Attorney General, to be used exclusively for the official business of the state and any city, county, city and county, or other public agency.

This bill would specify that the statewide telecommunications system may be used for the official business of a railroad company that employs persons commissioned by the Governor as railroad police officers.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 15153 of the Government Code
2 is amended to read:
3 15153. The system shall be under the direction of the
4 Attorney General, and shall be used exclusively for the
5 official business of the state, and the official business of
6 any city, county, city and county, or other public agency,

1 *and any entity that employs peace officers as provided in*
2 *subdivision (e) of Section 830.33 of the Penal Code.*
